Dear Mr. Wilkie:

On behalf of all of ASCAP's members, I'd like to thank you for playing our music in your place of business. Whether we have several Grammys or are struggling with our first CD, we all have the same goals, to have our music heard and appreciated by the public.

Just as you work hard at your job, we work hard at the craft of songwriting and for many of ASCAP's members, our main source of income is from royalties that ASCAP collects from radio and TV stations, background music services, and businesses such as yours which employ music to attract and retain customers. So thank you for taking out an ASCAP license. We know you understand the value of music at your establishment.

This will acknowledge, with thanks, receipt of your license agreement. An executed copy of the agreement is enclosed for your records.

In response to our customer's needs, we have developed a new interactive web-based system. This easy-to-use system offers you access to your account information, and it allows you to make payments directly to your account by Electronic Check or Credit Card. Should you have any questions about your license or about our easy-to-use web system, please contact us.

In order to maintain your privacy, we have issued a personal password for your access to this secure system.

I am proud of my association with ASCAP. As the only member-owned performing rights organization in the U.S., ASCAP takes great pride in the job they do looking out for their members. They are the only Performing Rights Organization whose financial records and payment procedures are open to the public and over 86 cents of every dollar collected goes back to its members. ASCAP also supports emerging songwriters with many workshops and awards programs.

Again, thanks for playing our music!

Sincerely,
