Re: Marchbanks Estates
Subdivision; Jonesboro

Dear Mr. Wood:

We have reviewed the submitted print for proposed access drives to the above noted subdivision along the west side of Highway 351 (Airport Road) at Jonesboro in Craighead County and the following is given:

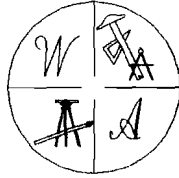

The north proposed drive as shown has inadequate site distance to provide a safe entrance for the traveling public along Highway 351, therefore, the Arkansas Highway and Transportation Department feels that the proposed north entrance can not be permitted. The proposed south entrance has adequate site distance and can be permitted.

If I may be of any further assistance, please advise.

Sincerely,

John R. Porter

Abandonment of Right of Way

Dear Jeff,

Due to the denial of a driveway permit from the Ark. Hwy & Trans. Dept. for the north drive of the above mentioned project, please accept as a formal request to abandon a portion of the existing street right of way as shown on the enclosed plat. Also, enclosed is a replat of four lots affected by this abandonment creating a cove at the end of the street.

Please find enclosed a copy of the denial letter from the Highway Dept.

Please notify me if further information is required.

Sincerely,

CARLOS WOOD, P.E.
