Description of Requested Variance:

Requesting approval for 8-foot fence

Circumstances Necessitating Variance Request:

Due to the significant downward slope of the area where the fence will be built, a
standard 6-foot fence would be insufficient in providing the necessary privacy and
security for residence.

General Submittal Information:

- Submit a narrative letter explaining your request along with seven (7) copies of an accurate site plan drawn at a scale that clearly illustrates the requested use, the subject property, and the surrounding properties, streets and easements, etc.
- Provide confirmation receipts to our office that adjoining owners of all properties have been notified.
