Re: Community Assistance Visit, July 5 through July 6, 2006

Dear Mayor Formon:

The purpose of this letter is to advise you that unless measures are taken to resolve your outstanding violation at Butler Creek, the city could face serious NFIP consequences.

Please provide this office within 30 days of this letter; documentation showing that the Mayor and council members have adopted measures that demonstrate their commitment to resolving the Butler Creek violation.

Due to the seriousness of this matter, the Mayor and council should meet and evaluate its options for addressing this violation in an expedient manner, including exercising its penalty clause

If you have any questions regarding this information or would like any further assistance, please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Linda Delamare".
