

Dear City Council,

My name is David Gatlin and I live at 821 Mays rd in Jonesboro which joins Mr. Jacksons on the North side. I am opposed to the rezoning of the property a 1130 Greensboro rd from R-1 to PD-RS (Section-8). I would like to request of the City Council to postpone the reading of the rezoning until the public is able to attend the City Council meeting.

Thanks ,
