

TO: JEFF GIBSON, CITY ENGINEER DATE: SEPTEMBER 10, 1986
FROM: PATRICIA PARSONS, SUBJECT: WEEDS & GRASS
CODE ENFORCEMENT OFFICER

Below is a list of property that is delinquent in being cleaned up. Please advise me what you would like for me to do. I am afraid that there is too much to have done then charge the people for the work that is done.

1. Bob Bennett - NW Corner Baker & Washington
2. Bob Bennett - SW Corner Baker & Hope

These two pieces of property I have tried to contact Mr. Bennett on and have not received a phone call back. I have also tried to locate him and talk with him, but all efforts have failed.

3. Jim McFarlin - Lot on lower end of Creath - behind Kenward's Florist Shop
4. Gary Jenkins - NW Corner Gordon & Labaume
5. Roger Moore - 1803 Irby - I have also tried to contact him by phone and see him in person, but all efforts have failed.
6. Ernest Gultner - SW Corner Krewson & Flint - only half done at this point - have tried to call him - he works days and have not received a phone call back from him.
7. Robert Atkerson - 2503 Mary Jane - lives at this address - been unable to contact anyone at this address
8. 1816 Scenic - Skip Mooney is handling foreclosure or some other legal matter on this.
9. Corner Walnut & Matthews - Brenda Johns - Old Walnut Street Baptist Church Property.
