NOTE: IF WE DO NOT BUY THE REMAINING FIVE RADIOS NOW, WHILE IN STOCK, THE SUPPLIER SAID THAT THE PRICE FROM THE FACTORY HAS GONE UP BY APPROXIMATELY \$70.00 EACH. ALSO, TO CONTINUE USING THE OLD SYSTEM WE WILL HAVE TO BUY A POWER SOURCE (AC/DC ADAPTOR) FOR ABOUT \$80.00 AND USE IT UNTIL THE REMAINING RADIOS ARE INSTALLED IN 1990.

IT WILL TAKE A TOTAL COST OF \$430.00 TO WAIT UNTIL 1990 TO ORDER THE REMAINING RADIOS. IN OTHER WORDS, WE CAN BUY FIVE NOW FOR LESS THAN WE CAN ORDER FOUR IN 1990.

THANK YOU,
