RE: North South Alley Closing
Between Union, Madison,
Jackson and Washington Streets

Dear Brian:

City Water & Light has an existing water line located in the alley described in your April 19, 1993 letter. City Water & Light will be glad to discuss the alley closing with the developer at their convenience.

Costs to remove this water line will be the responsibility of the developer. Please call if you have questions.

Respectfully,

Dear Mr. Whatley:

We at Southwestern Bell are opposed to the closing of said existing alley running north and south between Washington Avenue and the abandonment of Jackson Avenue between Union Street and Madison Street in downtown Jonesboro.

The description of these existing facilities would be of concerned cost to our company. Please consider an objection to this decision. Thank you for your cooperation. Questions may be referred to L.C. Grounds at 501-373-5255.

Dear Mr. Wadley:

Arkla Gas Company must object to the closing of a portion of the 10' alley running north and south between Washington Avenue and the abandoned Jackson Avenue between Union and Madison Streets.

Arkla Gas Company has a 3" gas main in this alley. The 3" gas main is one of the lines which serves downtown Jonesboro with natural gas, and completes the loop system for downtown Jonesboro.

If any more information is needed, please call me at 932-1167.

Yours truly,
