I live approximately 2 blocks from the proposed relocation of North Hills Social Club to operate as Porch Thirty Social Club at 401 Huntington.

I strongly support the relocation. This will continue to bring revitalization to downtown. The wrongful conduct of a county government official dashed the dreams of Brian Nobles and his family and friends. It is my sincere hope that this governmental organization will unanimously breathe new life into these dreams and bring them back to life.

I am writing in support of the North Hills Social Club relocation to downtown Jonesboro and operating as Porch Thirty. I live just a few blocks from the location of Porch Thirty, I believe in Jonesboro and the development of our downtown. Individuals such as the Nobles are exactly what we need to invest and revitalize distressed areas of our historic downtown area. I hope our local government sees this as an investment and opportunity such as I and many others.

Thank you
