Re: Proposed Annexation and Zoning of Winters, LLC
Property

Dear Ms. Davis:

As I mentioned in our previous calls and correspondence, we represent Winters, LLC which owns approximately 20 acres of land to your east. The land is currently located in the county and we will be filing an application to have the land annexed into the city of Jonesboro and zoned for single family housing. The plan is to develop it for 64 individual lots to be used for single family homes.

If you have any questions or comments regarding the annexation and zoning, please give me a call or send your written comments to me within the next five business days.

Sincerely,
