CHIEF ENGINEER

July 29, 1991

The Honorable Hubert Brodell  
Mayor  
City of Jonesboro  
P. O. Box 1845  
Jonesboro, Arkansas 72403

Re: Job 100284  
Washington Street Railroad Crossing  
Jonesboro, Craighead County  
DOT No. 787842X

Dear Mayor Brodell:

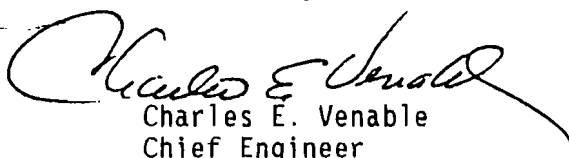

We have received plans and estimate from the St. Louis Southwestern Railroad to install flashing signals with gates at the referenced crossing. The total estimated cost of the project is \$149,149.

In order to proceed with this project, the City must submit its 10 percent matching share of the total cost. Please forward to this office a check in the amount of \$14,915 made payable to the Arkansas State Highway and Transportation Department. No further action can be taken until the local match is received. Upon receipt of the City's check and project approval from the Federal Highway Administration, a work order will be issued to the Railroad.

At the time of final accounting, a statement will be prepared reflecting the total costs. The City will be returned any excess funds or billed for any additional funds required.

If you have any questions, please contact our Traffic Division at 569-2648.

Yours truly,

  
Charles E. Venable  
Chief Engineer
