CITY WATER AND LIGHT

MARION R. ULMER
MANAGER

PHONE 501-935-5581

400 EAST MONROE

JONESBORO, ARKANSAS 72401

May 10, 1978

Mayor Neil J. Stallings
City Hall
Jonesboro, Arkansas 72401

Dear Mayor Stallings:

To further clarify my letter of May 1, 1978, regarding the possible closing of Stone Street, City Water and Light presently has some utilities installed on the existing right-of-way of Stone Street, immediately south of Forest Home Avenue.

The closing of Stone Street south of King Street will not affect City Water and Light as there are no utilities located in that area. Therefore, from our utilities standpoint, we see no problems if Stone Street is closed south of King Street.

Sincerely,

James A. Reed
