Overview:

- 10 measurable goals 7 are Favorable comparing to budget. 3 are Unfavorable comparing to previous year.
- Projections forecasted a budget deficit of (\$2.9) million through August. Actual performance is surplus of \$1.6 million, resulting in a favorable variance of approximately \$4.5 million as two-thirds of 2020 have elapsed.
- Current surplus includes unbudgeted revenue of \$1.2 million resulting from settlement of insurance claims relating to tornado destruction of City property. Approximatley \$230,000 in relating expenses have been incurred. Considering this, surplus is approximately \$3.5 million favorable compared to budget for 8 months of 2020.
- Revenue distributions from sales activities continue to perform better than year-to-date budget projections. June sales tax distributions, received in August, continue the previously established pattern of exceeding the same month of the previous year; however, we continue to monitor for COVID-19 impact in sales tax revenues.
- This report illustrates continuing pressure on A&P and Alcohol Beverage Tax receipts.
