City Council of Jonesboro

VAB Enterprises, Inc. is contesting the Conditional Use application filed by Kidd Investments intended for the proposed unattended laundromat at the property located at 2404 East Matthews in Jonesboro, AR. This property is located directly across the street, where we have spent quite a bit of money on renovations to our property located at 2425 E. Matthews. Our concern is that there will be no one staffed at the laundromat to alert authorities in the event of a dispute, altercation or other crimes which could bring negative consequences to our property as well.

Thank you.
