RE: Easements in West Branch Commercial Addition
Jonesboro, Craighead County, Arkansas

Dear Mr. Hill,

Wal-Mart Stores, Inc. platted the West Branch Commercial Addition in Jonesboro, Arkansas on which utility easements were dedicated. A copy of this plat is enclosed for your records. A copy of West Branch Commercial Addition was recorded September 16, 1993 in the office of the Circuit Clerk for the Western District of Craighead County in Jonesboro, Arkansas in Plat Cabinet B at Page 98.

The First Replat of the West Branch Commercial Addition has been presented to the Metropolitan Area Planning Commission for review in the meeting of October 12, 1993. A print of that plat is also enclosed for your records. Please note that all utility easements needed for the complete development of this property are provided in the First Replat.

State law stipulates that the proper procedure for abandonment of an easement requires the passage of an ordinance by majority vote of the City Council. Simply recording the replat does not satisfy the legal requirements in this matter. We must present written evidence that all utility service providers concur in the closure of utility easements in instances such as this.

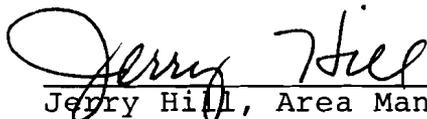

A space has been provided below for your signature acknowledging your concurrence with this proposed action to close the utility easements shown on the original plat of this subdivision. Please sign and return one copy of this letter.

Sincerely,

Dan B. Mulhollen, PE
President
