DONNA K. JACKSON
CITY CLERK

Mrs. Jackson:

I hereby request a slot on the agenda of the next Jonesboro City Council Meeting for the purpose of discussion.

- A. Recent 140% increases in salary for the City Leadership as it relates to the cost of living increases provided to our Police, Fire and other City Employees
- B. Attorney General spokesman's position that any citizen should be afforded the opportunity to speak in public meetings as opposed to Vice Mayor Regier's promise in recent meeting at his Committee.

Do we have a democracy or a Dictatorship?

Many Thanks
Bill Ebbert
