

RESPONSE TO QUESTION NO. 13 FOR
THE ZONING ORDINANCE MAP AMENDMENT APPLICATION

All adjoining landowners have been personally contacted by Roger McNeil, attorney for applicant. These adjacent property owners consist of Cathy Graves, Joy Davis, and Larry Gibson on behalf of the Sage Meadows Development. None of these three owners expressed any opposition to the annexation and zoning. These property owners, along with other non-adjacent property owner, Dallas Spence, who is on the southside of Macedonia Road, and Frankie and Cheryl Reece, Christina Thompson, Rob McCall and Ralph Stephens, who all have property located north and across Macedonia Road from the Winters' property have also been contacted via certified and regular mail. No comments have been received back from these neighbors, one way or the other. Copies of the correspondence sent to the neighbors is also attached.
