The Grantee may request and receive authorized grant funds by submitting appropriate forms and documentation, subject to approval by the Grantor, for payments of allowable expenses incurred by the Grantee while undertaking approved project activities in accordance with this Grant Agreement. These expenses must be identified by line item categories, which correspond to the line item categories on this Grant Agreement's Scope of Work-Budget. Requisitions will be mailed to the Grantor, and the Grantor will review and approve the requisitions before issuing Payment to the Grantee.

It is expressly understood that Grantor will honor requests for payment and disburse funds only to the extent that funds have been released to Grantor therefore, consistent with the requirements of the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law and any other applicable fiscal control laws and regulations promulgated by the Department of Finance and Administration.

2. **LEGAL AUTHORITY.** By signing the Grant Agreement Document's Signatory Sheet, the Grantee certifies that it possesses legal authority to accept grant funds and to execute the project described in this Grant Agreement. This act of signing will also certify that the Grantee will comply with all parts of this Agreement.
3. **WAIVERS.** No conditions or provisions of this Grant Agreement may be waived unless approved by the Grantor, in writing.
4. **ASSIGNABILITY.** The Grantee will not assign any interest in this Grant Agreement and will not transfer any interest in the same (whether by assignment or novation).
5. **SPECIAL CONDITIONS.** The Grantee will comply with all special conditions and attachments incorporated herein to this grant award. Compliance approval and clearance of special conditions will be given by the Grantor in writing after receipt and review of evidence of compliance from the Grantee. 7. **ALLOWABLE COSTS.** All costs necessary to carry out the eligible activities in the project must be consistent with and not exceed the limitations imposed by special conditions, scope of work and budget.
8. **AMENDMENTS AND MODIFICATIONS.** The Grantor will consider project amendments if they are necessitated by actions beyond the control of a Grantee. The Grantee may request or the Grantor may require an amendment or modification of the Grant Agreement. However, such amendment or modification will not take effect until approved, in writing, by the Grantor. The Grantee must sign and return the amendment to the Department of Economic Development within three days. The Grantee must request prior approval for all amendments or modifications. Amendments will not be approved

which would materially alter the circumstances under which the grant was originally funded.

9. **RECORD KEEPING.** The Grantee agrees to keep such records as the Grantor may require. All such records, and other records pertinent to the grant and work undertaken as part of the project, will be retained by the Grantee for a period of three years after the final audit of the program.

12. **OBLIGATIONS REGARDING THIRD PARTY RELATIONSHIPS.** The Grantee will remain fully obligated under the provisions of the Grant Agreement notwithstanding its designation of any third party or parties for the undertaking of all or any part of the project described herein. Any subcontractor who is not the Grantee will comply with all lawful requirements of the Grantee necessary to ensure that the project is carried out in accordance with the provisions of this Grant Agreement. Failure to comply will result in sanction upon Grantee, Administrator, Engineer/Architect or Sub Contractor. This sanction will result in the Department of Economic Development not working with said persons, for a period of not less than one year or more than five years and/or a suspension of existing funding.

The Grantee shall secure all such services in accordance with applicable State law and the provisions of this Grant Agreement, and shall notify the Grantor, in writing, of the method utilized to secure services, the name and address of the service provider(s), the scope of work anticipated and the terms of compensation.

13. **CONFLICT OF INTEREST.** No officer or employee of the Grantor, no member, officer, or employee of the Grantee or its designees or agents, no member of the governing body of the jurisdiction in which the project is undertaken or located and no other official of such locality or localities who exercises any functions or responsibilities with respect to the project during his tenure, will have any personal or pecuniary gain or interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed in connection with the project assisted under this agreement. The Grantee will incorporate, or cause to incorporate, in all such contracts or subcontracts a provision prohibiting such interest pursuant to the purpose of this provision. The Grantor reserves the right to waive certain provisions of this clause in the event of a situation once justified as unavoidable by the Grantee, and approved by the Grantor which necessitates such a waiver.
14. **POLITICAL ACTIVITY.** No portion of the funds provided hereunder will be used for any partisan political activity or to further the election or defeat of any candidate for public office or influence the approval or defeat of any ballot issue.
15. **NOTICES.** The Grantee will comply with all public notices or notices to individuals required by applicable State laws.
16. **PROHIBITION AGAINST PAYMENTS OF BONUS OR COMMISSION.** The assistance provided under this Grant Agreement will not be used in payment of any bonus or commission for the purpose of obtaining approval of the application for such assistance or any other approval or concurrence under this Grant Agreement.

17. **TERMINATION BY MUTUAL AGREEMENT.** This Grant Agreement may be terminated, in whole or in part, prior to the completion of project activities when the Grantor determines that continuation is not feasible or would not produce beneficial results commensurate with the further expenditure of funds. The Grantee will not incur new obligations for the terminated portion after the effective date, and will cancel as many outstanding obligations as possible. The Grantor will make funds available to the Grantee to pay for allowable expenses incurred before the effective date of termination.
18. **TERMINATION FOR CAUSE.** If the Grantee fails to comply with the terms of the Grant Agreement, or fails to use the grant for only those purposes set forth herein, the Grantor may:
- (a) Suspend Grant Payments - After notice to the Grantee, suspend the grant and withhold any further payment or prohibit the Grantee from incurring additional obligations of grant funds, pending corrective action by the Grantee or a decision to terminate by the Grantor.
  - (b) Terminate in toto - Terminate the grant in whole, or in part at any time before the final grant payment is made.

The Grantor will promptly notify the Grantee in writing of its determination to terminate, the reason for such termination, and the effective date of the termination.

Payments made to the Grantee or recoveries by the Grantor will be in accordance with the legal rights and liabilities of the parties.

19. **RECOVERY OF FUNDS.** In the event of a default or violation of the terms of the Grant Agreement by the Grantee, the Grantor may institute actions to recover all or part of the proper funds paid to the Grantee.
20. **DISPUTES.** Except as otherwise provided in this agreement, any dispute concerning a question of fact arising under this agreement which is not disposed of by provision of the Grant Agreement, will be decided by the Grantor which will reduce its decision to writing and mail or otherwise furnish a copy thereof to the Grantee. The decision of the Grantor will be final and conclusive. This does not preclude the consideration of questions of law in connection with decisions provided for in the preceding paragraph; provided that nothing in this Grant Agreement will be construed as making final the decision of any administrative official, representative, or board on a question of law.
21. **INDEMNIFICATION.** The Grantee will defend, protect, and save harmless the Grantor from and against all claims, suits, and actions arising from any act or omission of the Grantee or any employee or agents of either in the performance of this Grant Agreement. However, this clause shall not be construed to waive A.C.A. § 21-9-301 (1991 supp.).
22. **SEVERABILITY.** If any provision under this Grant Agreement or its application to any person or circumstances is held invalid by any court of competent jurisdiction, this invalidity does not affect other provisions of the Grant Agreement, which can be given effect without the invalid provision.
23. **PERFORMANCE.** The Grantor's failure to insist upon the strict performance of any provision of this contract or to exercise any right based upon breach thereof or the acceptance of any performance during such breach, will not constitute a waiver of any rights under this Grant Agreement.
24. **ENFORCEMENT.** If the Grantor determines that a Grantee's performance fails to meet the terms and conditions of its Grant Agreement, several courses of action may be pursued in order to resolve the problem. The Grantor may take any of the following actions, severally or in combination:

- (a) Request additional information from the Grantee to verify the nature of inadequate performance;
  - (b) Conduct a site visit to examine pertinent records and recommend remedial cause of action;
  - (c) Issue a letter of warning, advising the Grantee of the deficiency, recommendations for corrections, date by which performance must be corrected and notice that more serious sanctions may be imposed if the situation continues or is repeated;
  - (d) Suspend funding of questioned activities until remedies are effected;
  - (e) Establish sanctions upon Grantee, Administrator, Engineer/Architect or Sub Contractor. This sanction will be for a period of not less than one year but not more than five years. Require reimbursement of funds improperly spent; or
  - (f) Refer the matter to the Attorney General of Arkansas with a recommendation that a civil action be instituted.
25. **AUDIT.** The Grantee will be responsible for the conduct of a financial and compliance audit within a reasonable period after completion of project activities. Such audit must be performed by a certified public accountant whose services are secured through procedures consistent with state law. The Grantor reserves the right to recover any unspent or questioned balance of grant funds, if any, from the Grantee after final audit.
26. **CLOSE-OUT.** The Grantor will advise the Grantee to initiate close-out procedures when the Grantor determines, in consultation with the Grantee, that there are no impediments to close-out and that the following criteria have been met or soon will be met:
- (a) All costs to be paid with grant funds have been incurred with the exception of any unsettled third party claims against the Grantee. Costs are incurred when goods and services are received and/or contract work is performed;
  - (b) The last required progress report has been submitted. The Grantee's failure to submit or update will not preclude the Grantor from effecting closeout if it is deemed to be in the State's interest. Any excess grant amount which may be in the Grantee's possession will be returned in the event of the Grantee's failure to furnish or update the report; and
  - (c) Other responsibilities of the Grantee under this Grant Agreement and any close-out agreement, and applicable laws and regulations appear to have been carried out satisfactorily or there is no further State interest in keeping the grant open for the purpose of securing performance.
27. The Grantee agrees, as a condition of receiving grant assistance, to abide by and adhere to any policy directives, rules, regulations or other requirements which may be issued from time to time by the Grantor, and which in the opinion of the Grantor are necessary to efficient or legal execution of the project.
28. The Grantee agrees to see that all work is performed and completed in a manner consistent with timelines established at the Grants inception. Failure to meet these timelines without acceptable justification may result in sanction and or deobligation of funding to Grantee and/or Sub Contractors.
