COMPLIANCE

Industry standards set a minimum level that playground manufacturers must meet. We meet or exceed those standards, because we understand that the ultimate playground offers peace of mind, as well as playful experiences.

AMERICAN SOCIETY FOR TESTING AND MATERIALS (ASTM)

Several key people at GameTime, including our Manager of Compliance and Standards, serve on the ASTM committee that sets the standards for the entire playground industry. GameTime products conform to that standard, ASTM F1487- 07, the Standard Consumer Safety Performance Specification for Playground Equipment for Public Use.

CPSC

The Consumer Product Safety Commission is an independent agency within the United States Federal Government with the authority to inform the public of current product safety performance information and recommended practices. The CPSC first published their guidelines for public playgrounds in 1981 and have updated their publication since then. The current CPSC Handbook for Public Playground Safety, publication #325, is an excellent guide for owners and operators of public play environments.

IPEMA EQUIPMENT CERTIFICATION

GameTime is one of the founding members of IPEMA, and several of our people serve as board members, committee members and chairpersons of the association. In the interest of public playground safety, IPEMA provides a 3rd party certification, to validate conformance to established standards. Our use of the IPEMA seal is your assurance that GameTime has received written validation from an independent lab that the products associated with the seal conform with the ASTM standard, as well as the Canadian CSA standard CAN Z-614. A list of our validated products may be found on the IPEMA website, www.ipema.org.

IPEMA SURFACING CERTIFICATION

GameTime's GT Impax product provides you with the assurance that our surfacing has been certified as compliant to the appropriate ASTM standard. In the interest of public playground safety, IPEMA provides a third party certification to validate a manufacturer's conformance to the ASTM F-1292-99 Standard Specification for Impact Attenuation of Surface Systems Under And Around Playground Equipment. The use of the IPEMA Certification Seal signifies that the manufacturer has received written validation from the independent laboratory that the product associated with the use of the seal conforms with the requirements of ASTM F1292-99. A complete list of our validated products may be found on the IPEMA website at www.ipema.com.

ADA

GameTime is the only manufacturer to have a lab partnership with an Institute for children with special needs, so that we can develop and test our accessible products before bringing them to market. GameTime is the only manufacturer to meet accessibility guidelines on all of its pre-designed PowerScape and PrimeTime playground plans. We also recommend accessible surfacing options. For more information, log on to www.access-board.gov

ISO 9001:2000

GameTime is the first playground manufacturer to obtain the ISO9001:2000 standard. In order to obtain this certification, the company's manuals, policies, objectives and quality procedures are closely examined during a surveillance audit by ISO representatives. Strict attention is paid to policies and procedures in manufacturing, communication channels, system monitoring, customer relations and order processing, which are reviewed for consistency and standards. Companies who meet the standard are awarded the ISO designation.

TUV

An international organization that is a European Union Notified and Competent Body, providing testing and certification. Use of the TUV seal demonstrates that products have passed a comprehensive testing procedure based upon the European Harmonized Standard for Commercial Playground Equipment, and that the GameTime plant is regularly monitored by TUV.

ENVIRONMENTAL RESPONSIBILITY

Environmentally responsible play systems that last for decades, not years.

OUR PLAYGROUNDS ARE DESIGNED FOR FAMILIES AND TO MINIMIZE THE IMPACT ON THE PLANET WHERE WE PLAY.

It's our responsibility to act as stewards of our planet and its natural resources. It's also our mission to create fun, active, and innovative places for families to gather and play. Our environmental sustainability efforts are intended to help ensure children of today can take their grandchildren to playgrounds in the future. Our approach to stewardship and sustainability encompasses every aspect of our company - from the way we manufacture our products to how we do business. Children learn many valuable life skills on playgrounds. We've learned some important lessons, too. We continuously strive to be environmentally responsible and to make sure future generations benefit from our efforts.

RECYCLING (ANNUAL)

125,000 INDIVIDUAL PARTS 400,000 SQUARE FEET ONE ENVIRONMENTAL COMMITMENT

- We work with our suppliers to source the most environmentally preferable materials for our products.
- We include as much pre-consumer and post-consumer recycled content in our products as possible – without compromising the quality, durability, and performance.
- We're updating light fixtures, upgrading air compressors, and conducting energy audits because every small improvement leads to significant reductions in our overall environmental impact.
- We've implemented a variety of initiatives to reduce water consumption in our facilities, including the use of high-efficiency technology for product painting and washing.
- We recycle the vast majority of waste at our manufacturing facility, including 100% of manufacturing process waste like scrap metal, rotationally molded plastic and paper. We recycle the majority of our administrative waste, too.

GameTime's per occurrence insurance policy is one of the strongest in the industry. By definition, a Per Occurrence policy provides coverage for an accident that occurred during the term of the policy, even if the policy is subsequently changed or terminated. This is superior to a Claims Made policy, which does not provide such coverage. The certificate pictured is for informational purposes only, and may not be current. A copy of the current certificate is available on request.

WARRANTY

GameTime offers a comprehensive warranty on all of our products.

For the purpose of this warranty, “lifetime” encompasses no specific term of years, but rather that the Seller warrants to its original customer for as long as the original customer owns the product, and uses the product for its intended purpose, that the product and all its parts will be free from defects in material and manufacturing workmanship.

- **Lifetime limited warranty** on PowerScape®, PrimeTime®, Xscape® & IONiX® and Modern City® uprights.
- **Lifetime limited warranty** on Tru-Loc® connections and upright bolt-through connections.
- **Lifetime limited warranty** on all hardware.
