July 1, 2011

City of Jonesboro

Att: Mr. Craig Light

515 West Washington Avenue

Jonesboro, Ar 72401

Ref: Bids Received on June 29, 2011 for Industrial Park Rail Spur Expansion

Dear Mr. Light,

Our firm has reviewed the above referenced bids and recommends that the city award the contracts as follows:

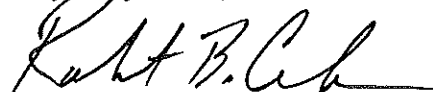

Section I – Garry Meadows Construction, Inc.

Section II – Trac-Work, Inc.

There were two mistakes made by the contractors. There was a \$1.00 math error done by Shelby Railroad Service and a \$60.00 math error by Trac-Work, Inc. The math errors did not affect the two low bids as read out at the bid letting.

Let me know if our firm can do anything else towards issuing the Notices of Awards.

Very Truly Yours,

Robert B. Graham
