Mayor Perrin announced the attorney for the property owners asked for the rezoning to be tabled indefinitely.

Councilman Dover asked the City Attorney to clarify what this will mean for the opponents of the rezoning. City Attorney Phillip Crego stated the correct motion will be Postponed Indefinitely, which means to either kill a measure or postpone it indefinitely. Councilman McCall questioned whether this will be an opportunity for the property owners to redo the request and bring it back. City Attorney Crego clarified

this specific request will not be able to be brought by for at least six months. He added the request could be changed, such as the acreage could be increased or decreased, and be brought back sooner than the six months. Councilman Fears noted the request will have to start back over at MAPC. City Attorney Crego agreed.

Mr. Mickey Bridger handed out some information to the City Council regarding the rezoning. Mayor Perrin thanked him for the information and reiterated that this is now a dead issue.
