

Hello!

A neighbor from our area has stopped by to ask you to sign a petition against a proposal to rezone the empty property @ 1110 Loberg to allow 6 duplexes to be built as we believe this would be a detriment to the area from a standpoint of health, safety & welfare of our area. Please call 243-5233 to make arrangements to sign to support the fight against this rezoning.

Thank you in advance,
Scenic Hills Neighbors
