RE: Variance Request
2906 Stallings Lane
Letter of Intent
Our File Number: 114030

Dear Mr. Smith:

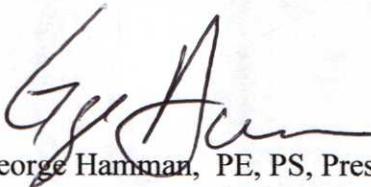

This letter is to serve as the narrative to accompany the variance request prepared on behalf of the owner of the land located at 4206 Stalling Lane. As you know the owner has just recently successfully completed the rezoning process so that a parking lot could be included in the permitted uses for this lane.

The request is to allow the owner to maintain a gravel surface parking lot instead of a paved parking lot as a "Park and Sell" lot for individual owners of vehicles for sale.

Thank you for our time and attention. If we may be of further services, please do not hesitate to contact us at your convenience.

Respectfully,

Civilogic

George Hamman, PE, PS, President
