Re.: Text Amendment Proposal

The existing Code language is below extracted from the Jonesboro Code of Ordinances. Currently there is an unclear area in the language regarding site plan reviews. **The code does not specify who may file appeals of Site Plan decisions.** This is specifically what needs to be modified and clarified in the Code Language. This proposed amendment seeks to clarify the sections below.

*****EXISTING CODE LANGUAGE:**

A zoning permit shall also be required for the use or reuse of property, buildings, or structures where building permits are not required. Compliance with paved parking and other site standards shall be achieved as a condition a change of use for commercial, industrial and multifamily purposes. In addition, a zoning permit evidencing compliance with the provisions of this chapter shall be a prerequisite to the issuance of a city privilege or occupation license.

(c) Site plans, sealed by a professional engineer licensed in the state shall be required in accordance with the city stormwater management/drainage ordinance for all development or redevelopment proposals. Multifamily development plans of five or more units and all commercial developments shall be sealed by an architect licensed in the state.

Such plans shall be reviewed and approved at the staff level, subject to appeal by the applicant to the Metropolitan Area Planning Commission; provided that, large-scale

commercial development of over 75,000 square feet of gross floor area, and multifamily developments of more than 48 units shall be approved by the Metropolitan Area Planning Commission. **Site plan decisions by the MAPC shall be subject to appeal to the city council. Complete requirements for site plans are included in the appendices hereto.**

(e) The design professional, engineer, architect, or landscape architect, preparing and sealing site plans as prescribed under this section shall periodically inspect the construction of all site improvements shown on and required by the site plan approved by the city planner and/or the Metropolitan Area Planning Commission and shall verify that, to the best of the design professional's knowledge, all improvements have been constructed and completed in accordance with said plan. A letter verifying this fact shall be submitted to the city planner prior to issuance of a certificate of occupancy. (Zoning Ord., § 14.44.02; Ord. No. 3429; Ord. No. 07-3165, 12-18-2007)

Sec. 2-89. Appeals to council.
