

To Whom it may concern:

Our organization is Centro Cristiano de Batesville Church. We are an Assembly of God Church located in Batesville AR. Our intent is to purchase the property at 2916 Willow Road Jonesboro AR 72401 and remodel the main building to make it suitable for church meetings. Our church has been meeting in Jonesboro for the past year and a half at the Methodist church on Union St.

We believe that this property will meet our needs to grow our church in the Jonesboro area and serve the local hispanic community as well as all others. Our first goal would be to remodel the interior of the largest of the 3 structures on the property to accomodate Sunday and Wednesday church meetings. The other buildings would be used for storage until they could be remodeled as well for church use at a later date. The large parking area would more than accomodate our current weekly attendance and would allow for growth for more church members in the future.

We will maintain the property and will improve it as time and funds allow, in order to better the neighborhood and be good neighbors to adjoining property owners. We believe that what we plan for this property will improve it from its current state and will provide an opportunity for our local Hispanic population in Jonesboro.

We would be happy to address any questions or concerns from neighbors or city officials. We can be reached at 870-783-2127.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. D. ...", is written over a faint, illegible typed name.
