MANAGER- ENGINEERING ROW – 1111 W. Capitol – Rm.525:

Attached is a request for the relinquishment of easement along the south side of Lots 14, 15, & 16 Block "D" in the Woodland Heights Subdivision Phase III in South Jonesboro. The proposed plan is to abolish the existing 15' utility easement and combine it with the existing drainage easement. We have no objection to this relocation provided the existing easement along the east property line of Lot 16 is maintained for future utility placement.

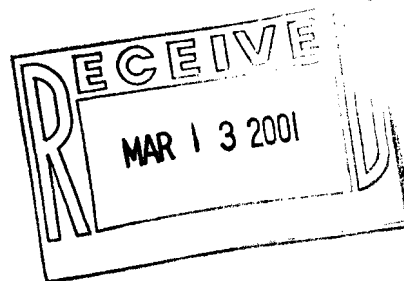

Questions regarding this matter may be referred to me on 870-972-7596.
