RE: Closing of easement on Lot Six (6) of Pardew-North Subdivision

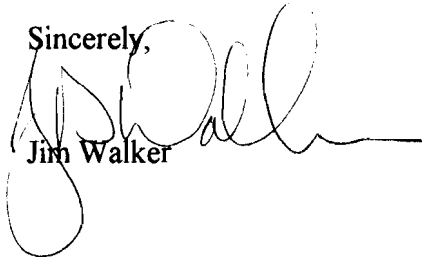

Dear Mr. Stepp:

Southwestern Bell does not object to the closing of a utility easement located on lot six (6) of Pardew North Subdivision, City of Jonesboro, Craighead County, Arkansas with the exception of the following.

1. Any existing cables serving residences or apartments placed within the boundaries of the easement as shown can remain as placed. If there are any requests to relocate any Southwestern Bell facilities placed within the easement, cost involved with the relocation of our facilities will be borne by the requesting party.

Questions regarding this matter may be referred to me on 972-7596.

Sincerely,

Jim Walker

Re: Lot 6 Pardew
North Addition
Easement Abandonment

Dear Ed:

There are numerous lines on the above mentioned lot still utilized in our sanitary sewer system. We have no problem with the abandonment of the easement where these lines do not exist. City Water and Light requests a 20' easement 10' either side of all sanitary sewer lines on Lot 6. This will leave the remainder available for development. Please call if you have questions.

Respectfully,

Randy Simpkins
