Re: Address Reassignment/ Street Name Change

Kenneth A. Yarbrough
5307 Mt. Carmel Rd.
Jonesboro, AR 72404

Dear Mr. Yarbrough,

As you are aware, Lawson Road and Valley View Drive are now functioning with a new traveling road alignment as a result of the Lawson Road Extension now known as "Christian Valley Drive".

Our office, the Jonesboro Planning Department, serves as the addressee for the City and we would like your input in a recent work order to rename the small segment of road between Valley View Drive and Mt. Carmel Rd. The plan is to rename this segment as "*Christian Valley Drive*", which will cause a change in address of the property on which you have frontage/ownership.

The purpose of this change is to allow for clarity and also provide a clear 911-addressing to your property for emergency response reasons. We realize that this may cause some inconvenience with your mailing process, but once these changes are made, we feel that this will allow for better access and emergency locating.

This matter has been set to be discussed in the next Public Works Council Committee meeting scheduled for 5:15 PM on July 1, 2008 and we invite you or a representative to attend to voice any concerns that you would like to share.

If you have any questions, please direct them to the undersigned or to the Public Works Director, Erick Woodruff. Thanks for your patience and understanding in this matter.

Sincerely,

Otis T. Spriggs, AICP
Planning Director
