Mr. Joe Tomlinson, City Inspector
314 West Washington
Jonesboro, Arkansas, 72401

Dear Mr. Tomlinson,

I would like to recall my request to the City Planning Commission to rezone my property at the Northwest corner of the intersection of Pardew Street and East Nettleton Avenue - more specifically described as 2822 East Nettleton. We had asked that the zoning be changed from R-3 to a commercial one. ³We are removing the request at this time, reserving the right to resubmit at a later date. Thank you.

Mrs. Bill Duke
