

02/01/2005

Any Flagging charges associated with the Right of Entry Agreement, Folder No. 2304-96, or the Exhibit A form re: same, entered into between the city of Jonesboro and the Union Pacific Railroad, will be waived at my discretion. We should have no problem furnishing flagmen when necessary ~~two or three days at a time,~~ however, any extended period that might require flagging protection would be subject to the fee, at my discretion.

*3 It*  
*up to 21 days*
