

We, the undersigned residents of Jonesboro, are opposed to the rezoning application for a 300 Unit Apartment Complex to be located at 3911 South Caraway Road (RZ 17-08; Ord. 17:021). We are opposed to any further rezoning for additional development on South Caraway Road until the City of Jonesboro improves infrastructure by widening this vital North/South transportation artery. The proposed location is on a two lane road that handles more than 15,000 cars daily. This is an important quality of life issue for those of us who choose to live South of the 63 Bypass.

We, the undersigned residents of Jonesboro, are opposed to the rezoning application for a 300 Unit Apartment Complex to be located at 3911 South Caraway Road (RZ 17-08; Ord. 17:021). We are opposed to any further rezoning for additional development on South Caraway Road until the City of Jonesboro improves infrastructure by widening this vital North/South transportation artery. The proposed location is on a two lane road that handles more than 15,000 cars daily. This is an important quality of life issue for those of us who choose to live South of the 63 Bypass.
