Re: Ordinance 17-063

Dear Mrs. Jackson:

I represent the applicant in this rezoning application which is set for 3rd reading on Tuesday, August 15.

Please allow this to serve as our notice that pursuant to 117-34(g)(1), we are withdrawing this application as of right for August 15. I will be at the meeting on other business in the event that I need to address the council on this matter.

I will be in contact with you shortly about the notice requirements for having this matter re-set. Thanks very much for your help and best regards.

Very truly yours,

Owens, Mixon, & Gramling, P.A.
