Jonesboro City Council
Jonesboro, Arkansas

Dear Council Members:

We the undersigned are opposed to a zoning change for the parcel of land located north of Highland Drive, south of Hillcrest School and east of Fazoli's. The parcel is currently zoned R-1 (single family residential) and we feel this is the best possible use for the property. If this rezoning request is approved, it will exacerbate the current traffic congestion along Highland Drive (particularly for Hillcrest School), allow the encroachment of commercial activity into a school zone, set a precedent for approving other rezoning requests in the future, and set the stage for the establishment of a number of incompatible land uses along a thoroughfare that is already very congested.
