

We are wanting to put a double wide mobile home on the property at 1612 Duncan Rd. The property is currently owned by Etta Trosper which is my Wifes grandmother. Mrs. Trosper is over 80 years old and needs help with her daily activities.

We want to live on the property so that we can be there to help her. We are planning on buying the whole 4+ acres from Mrs Trosper in the near future. The home we intend on setting up will be well over 1600 sq. ft. We are planning on pouring footings and blocking up all the way around the bottom of the home so that it will look more like a site built home. When the home is completed it will be as nice as any home in the neighborhood

Thank you
