

JONESBORO FIRE DEPARTMENT

3215 EAST JOHNSON
JONESBORO, AR. 72401

870-932-2428

Protecting Lives and Property since 1899

Annexation Questionnaire

The Jonesboro Fire Department does not have any issues with this particular property it is boarded on two sides by the city now (east and south).

I must add that in general the Fire Department is not in favor of any annexations. The City covers over 80 sq. miles of territory now. Any additional annexations along with the continued growth and development particular, in the northeast section of the city (Hwy 49 corridor to the Sage Meadows area) will require additional resources (stations & personnel) in the future to provide for the public safety needs and to maintain our ISO rating.

Fire Chief Kevin Miller
Jonesboro Fire Department
