Dear Neighbor,

I am writing you because we are seeking a building permit for a RV cover for our motor home. Because it exceeds the current height limit for building codes within the city limits we are required to send all of our adjoining property owners a certified letter stating our intent.

It will be professionally built by Square Post buildings out of Hoxie, Arkansas. The height will be approximately the height of our current carport and the colors will match our house. It will be constructed on the gravel pad where we currently park the RV.

The Board of Zoning Adjustment will hold a public hearing at the City of Jonesboro Municipal Center, 300 S. Church Street, Council Chambers. 1st Floor, Jonesboro. Arkansas on Tuesday, October 16, 2019 at 1:30pm.

You have the opportunity to attend this meeting to voice your approval or disapproval if you wish.

If you would like to obtain additional information, or voice an opinion regarding this request, you may do so by contacting the Planning Department at 300 S. Church Street or by calling (870)-932-0406 between the hours of 8:00am and 5:00pm Monday through Friday.

Thanks and we hope everyone is doing well.
