

Steve Kent

After a detailed review of each GPS Preemption product the Fire, Engineering and Police Departments concur with purchasing the Opticom Equipment distributed by Temple, Inc. Justification for this decision was based on ease of maintenance, and operation of the Opticom System versus the Emtrac Systems. Taking this into consideration we would like to move forward with the purchase of the Opticom GPS Preemption Equipment.

Mark Nichols

A handwritten signature in blue ink, appearing to read "Mark Nichols". The signature is stylized and cursive, with the first name "Mark" being larger and more prominent than the last name "Nichols".
