

## About Loburg Lane

My name is Shirley Moore  
1902 Mt. Vernon Dr.

I'm concern about rezoning lot 1110  
Loburg. Renters may have children or have  
children visiting, will there be area for  
playing? Will renters have 2 places to  
park cars and visitor parking too?

You can say no pets, they have  
away of showing up. That could be a  
issue. Would renters place garbage cans  
at street? 12 garbage cans sitting by  
driveway on a hill. Look out cars if  
the wind is blowing or hit my a car.

If dumpsters are used, will there be  
room for pickup, one way in, one way out!

I wish some of you would take a look  
at this lot. My husband I had duplexes  
and several rent houses, we never rented  
anything that we would not have lived  
in.

I find it hard to believe that this lot  
would be considered for 6 duplexes  
Will some duplexes be 2 bedrooms or  
all one? You can rent to one person,  
but more may be living in that duplex  
that have cars or motorcycles  
Children will be getting on and off bus

on hill. you don't have plans to rent  
and say "no children"!

Concern about fire truck, one way in  
one way out!

I'm pleading to you to leave the  
zoning as is with, no change, that's  
all the lot needs!
