Mr. Archer Wheatley, Attorney
McAdams Trust Building
Jonesboro, Arkansas

Dear Mr. Wheatley:

The alley immediately west of Flint Street, between Oak and Cherry, has no utility lines within the right of way at the present time.

So far as we can see, there would be no reason to preserve a right of way for future use since utility service is available on both Oak and Cherry.

Thank you for calling this matter to our attention.

Sincerely yours,

CITY WATER & LIGHT PLANT
