## CITY OF JONESBORO

Residents of Jonesboro and members of the City Council;

I am pleased to present the 2019 budget for your city. This budget is a reflection of my vision for the growth and progress of Jonesboro in both 2019 and the years ahead. Jonesboro continues to fuel the dynamic changes taking place in Northeast Arkansas.

In the coming year, we address not only our ongoing commitment to public safety and quality of life, but we also continue to foster vital public-private partnerships which have made Jonesboro an award winning city. These dynamic partnerships have allowed for unprecedented growth and collaborations which yield a strong and balanced community.

In past years, we have enjoyed unparalleled economic success. This has sustained much of our growth in infrastructure, quality of life programs, and our strong unyielding focus on public safety. As you will discover, we took a very conservative approach in budgeting for 2019. This reflects our desire to continue an adequate level of cash reserves while at the same time providing essential services for our residents.

I am proud of the efforts of our nearly 600 dedicated full and part time city employees. I have had the pleasure of directing their passion and energy over the past decade and look forward to working together with them to provide the level of services our citizens have come to expect.

Next year will be challenging from a financial standpoint. Although we have trimmed our budget considerably compared to 2018 (reducing the need to spend from existing fund balances by nearly \$7M), we still face the prospect of cutting deeper into our excess cash reserves. I anticipate that we will end 2019 with just shy of \$14M in excess cash reserves (amounts above our required 15% O&M reserve and STIP earmarks). Clearly this cash burn rate is of concern to myself, our executive management group, and our City Council Members.

As I have disclosed in numerous City Council Meetings and public addresses, we are not seeing the types of sales tax revenues one would expect from a community and economy on a strong growth trajectory. I believe as do economic experts that the advent and growth of internet sales has hampered our ability to collect sales tax revenues at a sustained growth rate. This will continue to contribute to the erosion of our cash reserves as long as inflationary pressures outstrip our year over year growth in tax revenues.

In retrospect, 2018 saw the completion of many successful projects and welcomed improvements in Jonesboro's infrastructure. We are proud to have completed the following:

- The completion of five (5) turn lanes; Stallings/Red Wolf, Nettleton/Caraway, Windover/Harrisburg, Red Wolf/Race, Philips/Caraway.
- Joe Mack Campbell JMC Park saw ten (10) fields turfed with synthetic surfacing allowing us to avoid weather delays and tournament cancellations.
- Joe Mack Campbell Park also added a concession and restroom building.
- Southside Softball Complex added a new concession stand and restroom building.
- Lighting at Southside Softball Complex was upgraded to high visibility lighting both on the fields and in the parking areas.
- The Earl Bell Dog Park opened in November in time for the Thanksgiving Holiday.
- Craighead Forest Park saw the addition of a 3.2 mile walking and biking trail.
- Downtown lighting was upgraded to high visibility LED lighting in 5 city parking lots.
- The addition of a second entrance to University Heights School will provide better ingress/egress into that facility.
- Sidewalk projects were completed for Thorn Street, Raines Street, and Race Street, and Caraway Road sidewalks are now complete from Matthews Street to the Kroger shopping center.

In 2019, we will continue providing valuable infrastructure improvements with plans to spend nearly \$6.5M. These projects reflect our ongoing commitment to the citizens of Jonesboro. The fact is, there is much more we would like to do, however we must weigh needed improvements against the backdrop of diminishing revenues.

In financial terms, the 2019 budget reflects a \$6.4M shortfall of revenues over expenditures. This compares to nearly a \$15.6M shortfall in 2018. In other words, we have worked diligently to trim the budget without sacrificing much needed services, particularly in the area of public safety. I should point out that our 2019 budget includes the addition of 3 firefighters, partially funded by Federal grant moneys. We also added an additional E-911 center dispatch position to deal with call volume growth in both the city and county. We will also be adding an additional kennel master to our Animal Control facility on Highway 18 where residents may visit and find a large selection of adoptable pets.

As always, I thank the citizens of Jonesboro for helping make this an award winning city and an outstanding place to call home. Working together, we can have an exciting, safe, and prosperous future. I look forward to serving as your Mayor as we continue to set the pace for Northeast Arkansas and the entire state.

Respectfully submitted,

Mayor Harold Perrin

# CITY OF JONESBORO

## **BASIS OF ACCOUNTING & BUDGETING**

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

All proprietary funds and pension trust funds are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the balance sheet. Fund equity (i.e., net total assets) is segregated into contributed capital and retained earnings components. Proprietary fund-type operating statements present increases (e.g., revenues) and decreases (e.g., expenses) in net total assets.

The modified accrual basis of accounting is used by all governmental fund types and agency funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). “Measurable means the amount of the transaction can be determined and “available” means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recorded when the related fund liability is incurred. Principal and interest on general long-term debt are recorded as fund liabilities when due.

## **FUND SUMMARIES & DESCRIPTIONS**

The City’s accounting system is organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for purposes of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. Account groups are created to establish accounting control and accountability for general fixed assets and general long-term debt. The following is a description of each fund type utilized by the City of Jonesboro:

## **OPERATION AND MAINTENANCE FUNDS**

**GENERAL FUND:** The General Fund is the general operating fund for the City and is used to account for all financial resources, except those required to be accounted for in another fund. The General Fund heading as it appears in the 2018 Budget includes the following accounts: General, Operating, and Credit Card. Certain General Fund financial resources are accounted for separately and restricted for police and fire retirement, fire equipment, District Court automation, downtown parking, and designated donations.

**STREET FUND:** The Street Fund is used to account for revenue received from the state as turnback funds that are dedicated to be used within the Street Department and the City's apportionment of the county road tax.

**EMERGENCY 911 FUND:** Established by Ark. Code Ann. § 12-10-318 established fund to receive fees collected by commercial mobile radio service providers for 911 emergency services. Craighead County reimburses the City of Jonesboro for 25% of these expenditures less tornado sirens annual maintenance cost, for the County's estimated share of these services provided by the City for Jonesboro and Craighead County.

**PERPETUAL CARE:** Established by Jonesboro Ordinance No. 10:020 (May 4, 2010 ) A special revenue fund established by the City for upkeep and maintenance of City owned cemeteries.

## **OTHER FUNDS**

**CAPITAL IMPROVEMENT:** Established for monies budgeted for capital improvements including land, buildings, and improvements.

**ADVERTISING AND PROMOTIONS:** Established by Jonesboro Ordinance No. 73:2435 (May 21, 1973) established fund to collect hotel or motel accommodations tax to be used exclusively for advertising and promoting the city.

**COMMUNITY DEVELOPMENT BLOCK GRANT (C.D.B.G.)** Established by Jonesboro Ordinance No. 05:240 (April 5, 2005) established fund to receive grant funds for various city departments.

**FEDERAL GRANTS:** Monies set aside by federal grant agreements to be used for specific purposes.

**METROPOLITAN PLANNING ORGANIZATION:** Fund established to receive grant revenue from the United States Department of Transportation that provides transportation planning for this region, which includes Jonesboro, Brookland, Bay and Bono.

**JONESBORO ECONOMICAL TRANSIT (J.E.T.)** Established by Jonesboro Ordinance No. 05:211 (July 19, 2005) established fund to receive federal grant funds to provide community transportation system to Jonesboro and surrounding communities. The City also subsidizes the transit system with transfers from the General Fund and Street Fund each year.

**POLICE SUSPENSE FUND:** Established to hold confiscated assets in open cases. Funds would eventually be released to other jurisdictions or to the General Fund once the case is closed.

**STATE AND FEDERAL FORFEITURE FUNDS:** Established to receive asset forfeitures resulting from state offense cases and federal drug offense cases due to arresting agency. Each fund is a separate fund (bank account) for State and Federal, and cannot be used to budget for regular city expenditures, only for law enforcement activities.

**FIDUCIARY FUNDS:** Each eligible employee is included in a defined benefit pension plan, defined contribution plan and/or deferred compensation plan which the City sponsors, i.e. the Non-Uniformed Employee's Pension Plan, Arkansas Local Police & Fire Retirement System, and the IRS §457 Plan.

**MIRACLE LEAGUE:** Established to receive donations for the completion of the Miracle League Field and Playground and for the subsequent operation of the facilities.

**GRANTS ADMINISTRATION:** Established for monies from state and local agreements to be used for specific purposes.
