No representation, warranty, condition or agreement of any kind or nature whatsoever shall be binding upon Square Post Buildings unless incorporated in this agreement.

It is understood by the parties hereto that the terms and condition of this contract and the financial ability of the purchaser are subject to acceptance by Square Post Buildings; and that prior to such acceptance the entire liability of Square Post Buildings under this contract may be discharged by the return of any monies which the purchaser may have deposited as a condition of this contract.

It is agreed by the parties hereto that the Company assumes no liability for failure for any reason to deliver the merchandise on any requested or tentatively set- shipping date, and the customer agrees to accept delivery of the merchandise at any reasonable time thereafter.

Owner X   
X \_\_\_\_\_

TERMS: 5/6 of 1% PER MONTH CHARGED ON PAST DUE ACCOUNTS. THIS EQUALS 10% ANNUAL RATE.

Buyer agrees to insure building material immediately upon delivery and protect Square Post Buildings against loss or damage of material in buyer's custody.

Owner shall provide electrical power within 150 feet and other utilities necessary for construction purposes. If electricity is not provided within 150 feet, a charge of \$20 per working day will be added.

It is agreed that labor other than Square Post Buildings employees is not anticipated, nor figured, in this contract and that if other than Square Post supervision or workmen are required, uncompleted contract will be renegotiated favorable to all parties involved.

The owner shall not be entitled to possession or occupancy of the building or move any goods or materials into the building until accepted by the owner and the total cost price has been paid in full. Use or occupancy prior to completion shall constitute acceptance by owner, and any unpaid amount of contract shall be due and payable.

Underground obstructions will be added at a \$10 per man hour expended plus any additional equipment costs.

Materials furnished are for level grade.  No  Yes.

Any off grade condition in excess of 18" will be added in the following manner: perimeter of building times off grade in feet x \$1.25.
