CITY OF JONESBORO

Agreement for Professional Services for Various Drainage Projects within the City of Jonesboro

Project Description.

Drainage Study and Design - Center Grove at

Highland - Problem #7

Project Scope:

Study drainage problems and develop plans and specifications

that will allow the City to take bids on the recommended

solutions.

We agree t	that based on the attached	rates for professional services and for an amount not to
exceed	\$5,970.00	We will provide to the City of Jonesboro on or before
the date of	7/31/06	the following:

- Conceptual drawings of possible alternatives to remediate the above described drainage problems.
- 2. A preliminary estimate for each alternative or option presented.
- A fee proposal for professional services to be required after this
 preliminary analysis is complete based on percent of construction
 costs and rate schedule for additional work.
- 4. A progress schedule to include both Engineering Services and Construction

The City of Jonesboro will furnish the following:

- Aerial Photography with 2' contours for the project area
- 2. Any available Hydrological or Hydraulic information available
- 3. Historical evidence and observations of flooding in the area.
- 4. Format for submitting preliminary estimates for the project to include Engineering and Construction costs.
