Donna K. Jackson
City Clerk
314 W Washington
Jonesboro, AR 72401

Dear Ms. Jackson:

At the request of Aubrey Scott I have visited the sites listed by Captain Rainey on the two sheets enclosed. Captain Rainey called for the placement of stop signs at nine places and for speed signs at four places. In my opinion, these traffic control devices are needed as described by Bob Rainey.

If you have any questions, please give me a call.

Yours Truly,

Scott Mixon
