RE: Alley Abandonment

Dear Sir:

CenterPoint Energy Arkla has no objection to the closing of the alley running east and west between Flint and Haven south of Strawn between lots 4 and 6 and lots 1 and 3.

However, we want to maintain the easement running north and south between Flint and Haven bounding Flint, Haven, Strawn and Nettleton.

Respectfully,

Re: Alley Closing

Dear Mr. Abernathy:

City Water and Light has no utilities on a dedicated city east/west alley located within the following boundaries: Bounded on the east by Haven Street and on the west by Flint Street.

As City Water and Light has no utilities on the above described alley, we have no objections to the closing of the alley.

Respectfully,

A handwritten signature in cursive script, reading "Randy Simpkins".
