Re: Jonesboro Recycling Facility
Site Plan
Vance Dr.

Dear Mr. Spriggs,

As requested by the planning commission during the site plan approval process for the Jonesboro Recycling Facility on Vance Drive, the developer met with the ASU Newport-Jonesboro Campus representatives several times to develop a plan agreeable to both parties. It was determined that ASU would purchase lots 4 & 5 of the Jonesboro Industrial Mini Park Number 2, which lie along the south side of Vance Drive. ASU proposed to trade the north 447 feet of lots 4 & 5 to the developer, giving ASU lot 6 & 7 to allow them to have contiguous property for future expansion opportunities.

The developer is asking for review of the site location change.

Please contact me if further information is required.

Sincerely,
CARLOS WOOD, P.E.
