## SPECIAL PROVISION TO ACCOMPANY CHANGE ORDER NO. 2 RACE STREET AND FAIR PARK BLVD. INTERSECTION IMPROVEMENTS SIGNAL MODIFICATION

The pay item "Signal Modification" shall consist of changing the 3-section traffic heads for the inside lanes for east and west bound Race Street to 4-section heads. These heads will display a green arrow for left turns and a green ball simultaneously.

The materials shall be in accordance with Section 706.02 of the Standard Specifications for Highway Construction, Arkansas State Highway and Transportation Department, Edition of 2003.

The signals shall be LED, and shall match the existing signals.

The item Signal Modification will be measured by the Lump Sum, which agreed to price will be full compensation for furnishing and installing all materials necessary for this change, and for all labor, equipment, tools, and incidentals necessary to complete the work.

RE: City of Jonesboro Race Street and Fair Park Blvd Intersection Improvements

Dear Brent:

Per your request, we propose to install a left turn arrow for both the east and west bound traffic lanes for a lump sum price of \$ 2,850.00.

Thank you for your consideration of this matter.

Sincerely Marvin Day, P.E. Project Manager
