Subject: Some concerns of Ordinance 18:019

ORDINANCE 18:019- An ordinance of amend the 2018 budget and move \$2,000,000 from the general fund reserves to capital improvement fund for STIP Project.

Good Afternoon to all of you,

The second reading of Ordinance 18:019 will be heard this coming Tuesday, April 17. When looking at the agenda, there are a lot of items on it, so it's going to be a busy meeting. In the event of saving time and to get as much information to you about our concerns about this Ordinance- I would appreciate it if you could do 3 things before the meeting on Tuesday.

1. If you are on Facebook, please visit the Facebook page "Apartment 280" and look at the postings, pictures and comments from the past month concerning the proposed area of Harrisburg Road.
2. We have downloaded lots of traffic video's of Harrisburg Road and Stadium at various times of the day. None of the video's are very long. You can click on the You-Tube link on this email. PLEASE note the amount of traffic that is NOT on Harrisburg Road during off peak traffic times.

3. And the third thing that I would really be helpful in understanding our concerns is for you to drive out to this area sometime before the meeting on Tuesday. Now I have to warn you, do not come on Sunday morning when Central Baptist Church is having services. This is when you avoid this area. Just like I avoid Red Wolf Blvd and Johnson when ASU is having a football game! But when the game is over, so is the congested traffic!

I appreciate your extra time in doing this. I look forward to seeing you on Tuesday at the City Council meeting. Have a nice weekend!
