DESCRIPTION OF REQUESTED VARIANCE

I am requesting a variance that would allow for our fence to be constructed approximately eight feet past our home, towards to side of Robert core. Please refer to image.

CIRCUMSTANCES NECESSITATING VARIANCE REQUEST

The walkway to the backyard is located within the area of the requested variance. This will allow for ease of entry from the driveway, through a gate located right at the edge of our home & driveway. This is intended for securing safe entry (visible) for our children & animals.

GENERAL SUBMITTAL INFORMATION

- Submit a narrative letter explaining your request along with seven (7) copies of an accurate site plan drawn at a scale that clearly illustrates the requested use, the subject property, and surrounding properties, streets and easements, etc.
- Provide confirmation receipts to our office that adjoining owners of all properties have been notified.
