I have a daughter that is an adult but needs supervision but independence also. I need a place (small) to live close to her but not with her so that she can learn to take care of herself and I could monitor her. She is living in an apt. but I have to help her some. I am in Jonesboro every day anyway & she is too. If I were that close to her there is a building on the back of the yard that I could make into a small apt for her and then I could help her better. She wants the independence & I want her to have
