The Honorable Harold Perrin
City of Jonesboro
P.O. Box 1845
Jonesboro, AR 72403-1845

RE: EMT-2004-CA-0123, Cooperating Technical Partners (CTP) Cooperative Agreement

Dear Mayor Perrin:

On February 11, 2008, FEMA Region 6 formally requested that the City of Jonesboro, Arkansas repay the amount of \$200,000 after the referenced cooperative agreement was terminated. The scope of work associated with the agreement was not fulfilled upon expiration. At that time, the sitting Mayor proposed this arrangement and FEMA accepted. A copy of the original letter is enclosed for reference.

This letter serves to formally rescind FEMA's request to recoup \$200,000 from the City of Jonesboro. The FEMA Program Manager, Gary Zimmerer, has determined that the work subsequently completed and delivered to FEMA is acceptable and has been utilized on the preliminary DFIRMs issued in January 2010. Therefore, we have concluded that since the data was sufficient to be utilized on the preliminary DFIRMs, the Jonesboro CTP is considered fully complete.

Thank you for your continued participation in the National Flood Insurance Program. If you have any questions or require additional information, please contact Gary Zimmerer at (940) 898-5161.

Sincerely,

A handwritten signature in black ink, appearing to read "Tony Russell".

for Tony Russell
Regional Administrator

Doug Forman, Mayor
City of Jonesboro
P.O. Box 1845
Jonesboro, AR 72403-1845

Re: EMT-2004-CA-0123, Cooperating Technical Partners (CTP) Cooperative Agreement

Dear Mayor Forman:

This letter serves to formally terminate the referenced cooperative agreement between the Federal Emergency Management Agency (FEMA) and the City of Jonesboro, Arkansas. Termination of the agreement is in accordance with your letter of November 2, 2007, and is authorized under 44 CFR 13.43 Enforcement, section (a) Remedies for noncompliance, paragraph (3).

After reviewing Mapping Activity Statement 1, upon which the scope of work was based, the FEMA Project Officer, Gary Zimmerer, has determined that none of the activities were completed, delivered or accepted by FEMA.

At a meeting between the City and FEMA, held in Denton, Texas, on November 2, 2007, you agreed that FEMA funding already drawn by the City would be returned if requested. Therefore, in accordance with 44 CFR 13.43 section (a), paragraph (2), it has been determined that the City is required to return FEMA funds in the amount of \$200,000.00.

Please send a check payable to FEMA to the attention of Michael Brown at:

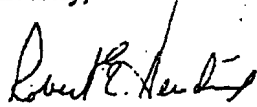

FEMA Region 6
800 North Loop 288
Denton, Texas 76209-3698

Thank you for your interest and participation in the CTP program. While we regret that this cooperative agreement has not been successful, we do look forward to continued partnership on future projects in support of the National Flood Insurance Program.

Mayor Forman
